

REMARKS

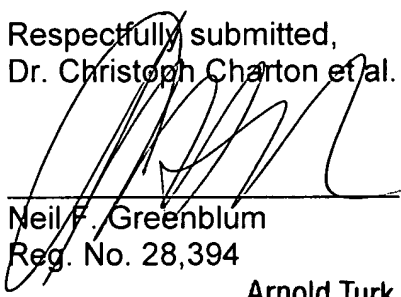

The Examiner is respectfully requested to enter the foregoing amendment prior to examination of the above-identified patent application. Applicants respectfully submit that the foregoing amendment does not add new matter to the present application.

The amendment herein is made to place the application more in conformance with idiomatic English and standard U.S. practice.

The amendments to the claims made in this amendment have not been made to overcome the prior art, and thus, should be considered to have been made for a purpose unrelated to patentability, and no estoppel should be deemed to attach thereto.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Dr. Christoph Chanton et al.
